

15 April 1977

MEMORANDUM TO: C/BS *ES*  
THRU : DC/BS *leaf 4/20*  
SUBJECT : April 1977 Inventory

This is a follow up to advise BSD that the April 1977 Inventory completed on 31 March 1977 was without incident. All Category 3 items (items costing \$25.00 or more) were in agreement between the store and the accounting department. In addition, the Audit Staff made a small follow-up to our recently completed audit and spot checked this inventory and reported all was satisfactory.
